

Spitalfields City **FARM**

The Mobile Farm

2010 rates

Spitalfields City Farm provides an educational service bringing friendly animals to your event or project.

Whether you would like donkey rides for your children or some small animals to learn pet care and welfare following the National Curriculum give us a call.

If you are directing a film or video or photo shoot and need handle-able animals then call to discuss your needs.

SCF is a Registered Charity situated in the heart of London, working with and for the local community for nearly 30 years.

We have dedicated and experienced staff who will be pleased to assist you and ensure your event or visit is educational in a fun and informative way.

MOBILE FARM FOR FILM AND PHOTO WORK

We can provide animals on the farm or off site, to feature in film work and advertising. The farm provides a useful rural location in the heart of the City.

We can provide a variety of farmyard tools and resources to add authenticity.

Parking is available for film crew, please call to make arrangements.

Please note: We do not provide trained animals for these activities and you are advised to discuss your exact requirements at the time of booking.

MOBILE FARM EDUCATION

Spitalfields City Farm is committed to **animal welfare** and we advise booking well in advance so that we can make the necessary arrangements.

Our emphasis is one of education and we will be happy to deliver talks about pet care and welfare or farming systems as part of the Citizenship module of the National Curriculum. We will **not** allow sessions to be based on entertainment for small children. Please call if you have any worries about this issue or would like to know more.

Very young children can learn about animals needs in relation to their own needs and get a feeling for respecting others including animals.

Mobile farm visit costs to schools (£):

General Information:

Animals-

Small animals: rabbits, guinea-pigs, chickens, call ducks, rats, ferrets;

Large animals: sheep, goats, Donkey, pony.

Transport -

the van plus trailer is 24ft long and clients are responsible for ensuring adequate parking space is available.

These rates include an experienced animal handler accompanying the animal throughout.

Any expenses incurred such as parking permits and congestion charges (for shoots within the CC zone) are **to be met by the client**.

Clients should ensure they have adequate hand washing facilities available for themselves and other service users. Antibacterial hand-soap is advised; hand cleaning gel is not recommended by the Health & Safety Directive

The Farms Public Liability Insurance Certificate is available on request. Please call for this and copies of Risk Assessments.

Teachers- we ask you to provide children with a health and safety talk (eg no hands near mouths after touching animals) and to discuss the best ways to act around animals (gently, without hitting or shouting or crowding them) prior to the visit, to enable us to provide the best quality experience for both you and the animals. Any queries contact us at the farm (details below)
